

# Harshada Parakh

Airoli, Navi Mumbai | 7208709508 | [harshadaparakh1994@gmail.com](mailto:harshadaparakh1994@gmail.com) | [github.com/coder19-adu](https://github.com/coder19-adu)

## Career Objective

---

Computer Applications student with a passion for full stack development, creative web design, and modern technologies. Experienced in building responsive web applications using React, Tailwind CSS, and JavaScript, and eager to apply technical and problem-solving skills through real-world projects and internship opportunities.

## Education

---

**Bachelor of Computer Applications (BCA)**

**2023-2026**

Bharati Vidyapeeth, Department of Management Studies | CGPA: 8.91

**Kharghar, Navi Mumbai**

## Projects

---

### Pomodoro Timer Web App | HTML, CSS, JavaScript

- Developed a productivity timer with start, pause, and reset functionality.
- Implemented timer logic and state management using JavaScript.
- Designed a clean and responsive user interface using HTML and CSS.

### E-Commerce Website (Ongoing) | React.js, Tailwind CSS, Framer Motion, JavaScript, Vite, Git, GitHub

- Building a creative clothing e-commerce platform combining scrapbook-inspired visuals with modern web technologies.
- Developed interactive animations, custom navigation flows, and dynamic UI components to enhance user engagement.
- Leveraged Framer Motion for immersive transitions and Tailwind CSS for scalable, responsive design.

## Technical Skills

---

**Languages:** C, C++, Java, Python (basics)

**Web Technologies:** HTML, CSS, JavaScript, React.js, Tailwind CSS

**Tools:** Git, GitHub, VS Code, Canva

**Operating System:** Windows, Linux (WSL, basics)

**Concept:** Data Structures, OOPs, Operating System, Computer Networks, DBMS (basics), SQL Queries

**Creative & Digital Skills:** Prompt Engineering, Trend Research, Content Ideation.

## Achievements

---

**Hackathon Winner, Launchpad** – Secured 1st place among 100+ teams.

## Currently Learning

---

Linux Commands and System Administration, Git and GitHub Workflow, DevOps Fundamentals
